	SONARtrac® Technical Note	
	TN0017	Date: 04Aug2025
	Subject: How to Extract a Data History File from the SONARtrac Transmitter and Upload it to the CiDRA Website	Revision 07
Page 1 of 11		

### Problem:

How do I retrieve a Data History file from the SONARtrac transmitter using the USB port and then upload the file to CiDRA Technical Support website?

(Section **A** – legacy SONARtrac, Section **B** - SONARtrac digital, Section **C** – posting data on the CiDRA website portal)

*legacy SONARtrac*

*SONARtrac digital*

### Answer:

**A** A data history file can be retrieved from the legacy SONARtrac transmitter in the following manner:

1. Insert the CiDRA SONARstick into the USB port
2. After a few seconds the following should be displayed.

3. Press the Down arrow to go to the following display.

CiDRA Corporate Services	50 Barnes Park North	Wallingford, CT 06492
Tel. 203-265-0035	Fax. 203-294-4211	www.cidra.com

		Revision	07
		Page 2 of 11	

4. Press Enter and then use the Down arrow to go to the following.

```

ADVANCED FUNCTIONS
→DATA HISTORY

```

5. Press Enter. The following will be displayed.

```

ADVANCED FUNCTIONS
•DATA HISTORY
→DECIMATION
None

```

6. To decimate the data set press Enter and select the amount of decimation to be used and press Enter again. (Example, None = all data, 2 = every second reading, 10 = every tenth reading. *(Unless otherwise discussed with CiDRA Technical Support do not decimate data)*)
7. Press Enter after the desired value is selected or,
8. if None is desired press the Down arrow and the following screen will appear.

```

ADVANCED FUNCTIONS
•DATA HISTORY
→LENGTH
1 Day

```

9. Press the Enter key and select the amount of data history to be saved using the Up or Down arrow.

```

ADVANCED FUNCTIONS
•DATA HISTORY
•LENGTH
10 Days

```

10. Press Enter.

11. Press the Down arrow and the following screen will appear.

12. Press the Down arrow again and the following screen will appear.

13. Press Enter to save as a zip file.

14. Remove the SONARstick from the USB port.

**Notes -**

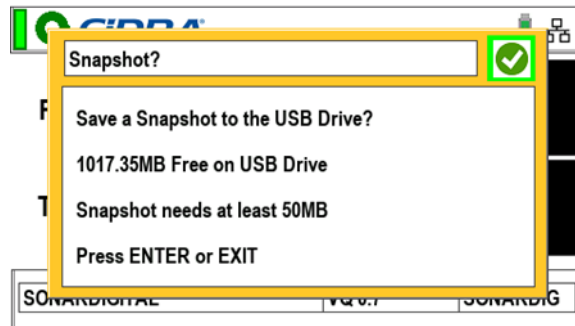

- The data history log file is saved in volatile memory. If the transmitter is reset or power cycled the log file is cleared.
- At the default logging rate of 2 seconds, the log will hold ~ 24.5 days of data
- A full data history file can take up to 40 minutes to download.

**B A data history file can be retrieved from the SONARtrac digital transmitter in the following manner:**

1. Insert the flash drive into the transmitter USB port. (type A or C options available) After a few seconds the following, or similar, screen will appear

2. Press Exit
3. Use the lower four keys to navigate to the **Diag** menu. Select **USB**

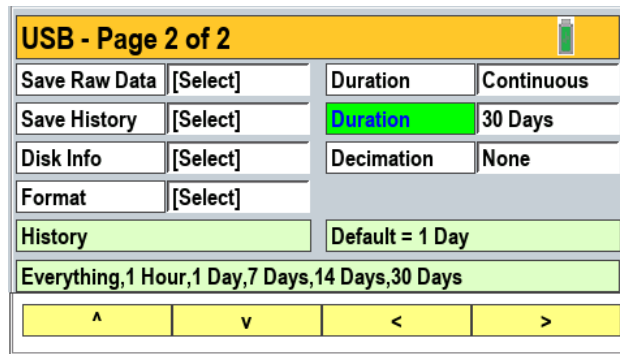

4. Use the Down arrow to navigate to Page 2 of 2

**Notes -**

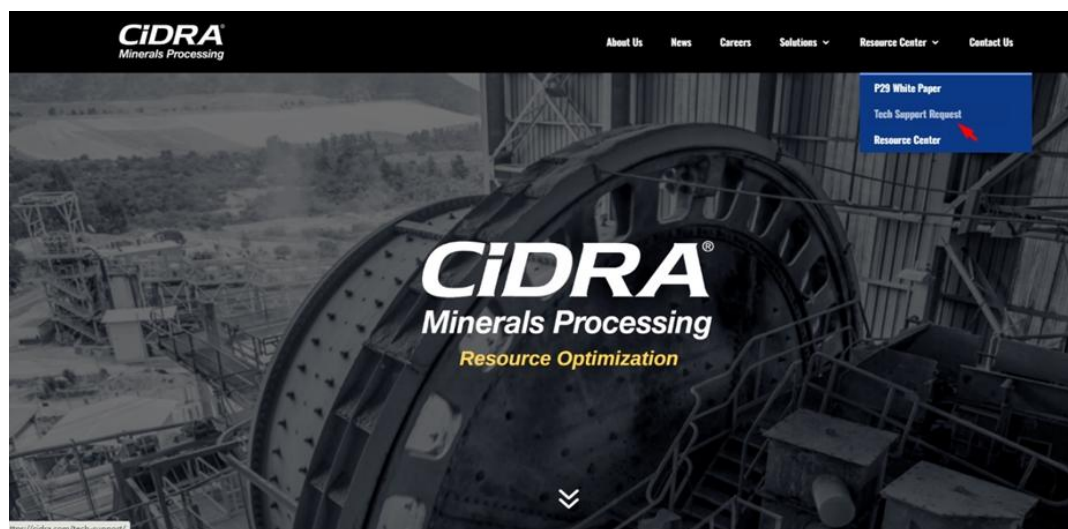

- The *SONARtrac digital* data history log file is saved in non-volatile memory.
- At the default logging rate of 1 seconds, the log will hold ~ 48 days of data
- A full data history file can take up to 40 minutes to download.
- A separate utility may be needed to split the undecimated history log data into manageable sizes if importing the data into a program like Excel

## FILE UPLOAD

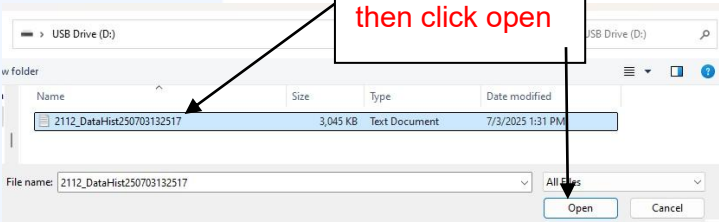

Please WAIT for your files to finish uploading before selecting "Submit" on the form.

File 1:	Choose File	2112_DataHi...03132517.txt	Upload	<div></div> Success
File 2:	Choose File	No file chosen	Upload	<div></div>
File 3:	Choose File	No file chosen	Upload	<div></div>
File 4:	Choose File	No file chosen	Upload	<div></div>
File 5:	Choose File	No file chosen	Upload	<div></div>

Please be patient - WAIT - when uploading files to see the word SUCCESS before selecting "Submit" on the form, the process to generate the proper emails takes time.

**Submit**

*select the file; then click open*

- Select **Upload** to send the chosen file to the CiDRA secure web site. (in above example a Data History from transmitter 2112 has been selected) Green bar indicates status of the file upload. Wait to see the word SUCCESS before selecting **Submit**. Up to 5 files may be uploaded with each support request form. **Upload** button must be clicked for each file to be submitted.
- When form information has been completed and intended files have been uploaded select the **SUBMIT** button (as indicated be patient. It may take some time for page to advance)

## FILE UPLOAD

Please WAIT for your files to finish uploading before selecting "Submit" on the form.

File 1:	Choose File	2112_DataHi...03132517.txt	Upload	<div></div> Success
File 2:	Choose File	No file chosen	Upload	<div></div>
File 3:	Choose File	No file chosen	Upload	<div></div>
File 4:	Choose File	No file chosen	Upload	<div></div>
File 5:	Choose File	No file chosen	Upload	<div></div>

Please be patient - WAIT - when uploading files to see the word SUCCESS before selecting "Submit" on the form, the process to generate the proper emails takes time.

**Submit**

- Upon successful completion of the support request form and file upload the following will be displayed with your tracking number listed.

CiDRA Corporate Services	50 Barnes Park North	Wallingford, CT 06492
Tel. 203-265-0035	Fax. 203-294-4211	www.cidra.com
